 - Act 174 update.
 - Nick gave an update about the meeting with Eric.
 - Next step is to schedule a meeting for next time to work on this.
 - Discussion about the Marshfield Dam (if needed).
 - Update from table-top exercise on 5/24.
 - Becky attended the table-top exercise. She wasn't sure being there added much value, other than reinforcing that Marshfield is concerned.
 - Numerous people from Marshfield were in attendance.
 - In the AM they walked through the emergency action plan and what it is and isn't.
 - In the afternoon they had an exercise to simulate an event at the dam. The scenario had a lot of different considerations which would push the understanding of how to respond.
 - Becky mentioned that Michael did share some notes about the table top exercise, and she would forward these to the list.
 - Climate change discussion follow up meetings (if needed).
 - Rich presented information about the Climate Change Action group over the last few months. In earlier meetings the group came up with a list of topics which they could focus on.
 - The group has decided that getting solar at Twinfield is going to be their focus over the next few months. The timing of this is likely to be developed at the next meeting of the group on June 27th. The intent is to get this on the agenda of the schoolboard in one of their August 2018 meetings.
 - Rich will also be thinking about weatherization and how to get that fired up again.
 - Discussion about grants or money for charging stations.
 - No information at this time.
 - Twinfield solar and weatherization update (if needed)
 - Presentation from solar distributors (if needed)
 - No information at this time.
- Draft agenda for next meeting
